

Stopwatch

```
graph BT; AdvancedStopwatch --> Stopwatch
```

A UML class diagram illustrating inheritance. The 'AdvancedStopwatch' class is shown at the bottom in a white box with a black border. A solid blue arrow points upwards from the 'AdvancedStopwatch' box to the 'Stopwatch' box, which is located above it. The 'Stopwatch' box is gray with a black border. Both boxes are rectangular and contain their respective class names in black text.

AdvancedStopwatch
